

Hey Kids!

Make Your Very Own

Parking Ticket Geek Mask!

Wow!

Be the first on your block to dress up like that local twit and chronic complainer, the Parking Ticket Geek this Halloween.

Using your color printer, just print this mask out on heavy white paper, cut along the dotted lines with a pair of scissors and use a rubber band to secure it to your face.

Now you're armed and ready to fight any of Chicago's infamous bright orange parking tickets! Cool!

HAPPY HALLOWEEN FROM THE PARKING TICKET GEEK!
